

## 5K RUN/WALK Family Fun Run

### How to Have a Successful Fundraiser

Successful fundraising is all about sharing YOUR story, and why a cause matters to YOU. Think about this when creating your fundraising page!

The best way to start fundraising is to harness the power of social media. Share your fundraiser and progress towards your goal regularly! Don't be shy about sending the link to donate directly to those who are likely to support you!

### Fundraising and Event Ideas

Once you have started sharing your fundraiser online, it's time to think creatively about different ways to raise money! Here are a few ideas to get you started:

- Bake Sales
- Car Washes
- Donation boxes at work
- Request donations for your birthday
- Create a video talking about why you care about our mission
- Host an event in your home
- Sell handmade crafts

- Poker Night
- Trivia Night
- Dance Party
- Percentage nights at your favorite local restaurant
- Personal walk-a-thons
- Spaghetti dinner
- Pancake Breakfast
- Yard Sale
- Casual Fridays
- Dog Wash

The sky is the limit when thinking of ways to raise money!
